

**SARAH NELSON**

**Marketing & Administrative Assistant**

[snelson@brookingsedc.com](mailto:snelson@brookingsedc.com)

Sarah joined the BEDC team in March 2021 as the Marketing & Administrative Assistant. She recently moved back to the Brookings area after nearly 10 years working with a youth non-profit organization in Colorado serving in various ministry, event planning and director roles.

Being part of something meaningful has always been a driving force for Sarah, and she is excited to grow into her role with BEDC and contribute to the organization in its efforts to help Brookings grow and develop into the future.

When not working, you can find Sarah doing almost anything crafty or creative, reading a non-fiction book, gardening, playing with flowers or being the coolest Auntie to her nephew and 2 nieces.
